CHRISTMAS IN HANOVER &
MAIN STREET HANOVER

Dear Business Friends,

Santa's Cabin is celebrating 85 years of tradition in Center Square. We look forward to helping Hanover and the surrounding community celebrate this milestone!

Every year we look to the community to help us decorate downtown, hang festive lights, produce family-friendly holiday events, and bring Santa and his Cabin into town. This year will be no exception! While Christmas will without a doubt look different again this year, we are committed to presenting an authentic Christmas experience for the Hanover community.

Hanover's Christmas Committee, a volunteer committee operating through Main Street Hanover, are raising funds to put on the holiday events that Hanover loves. This year as we plan for implementing new safety measures to protect each other, we are looking to our local business community to help us afford these added expenses. Any amount is greatly appreciated and will help to keep our community traditions alive this Christmas!

Thank you in advance for your interest in supporting this important tradition, we appreciate your time and consideration!

Sincerely,

Justine Trucksess
