

2019 Holiday Parade Info & Rules

Parade Lineup will begin between 8:15 am and 8:30 am at Baer Ave. Playground. Parade begins promptly at 9:00 am.

All participants must check in at parade registration to be assigned a number in your category no later than 8:30 am.

Please do not allow gaps in the parade, as this causes problems with the fire and police that are holding traffic. Streets are blocked on Middle St., York St., and Broadway as the parade passes.

All winners will be notified and will receive their prize following the parade.

Judging for the bands, floats, walking performance, walking units, antique cars, and decorated bikes will be done during lineup or during the parade if you are a performing group. Remember it is important to keep the parade moving so do not stop to perform along the parade route.

The parade will disband at North Franklin and Frederick St. There will be uniformed police officers to direct you to this area. Please cooperate with their instructions and we will have a safe and fun parade this year!

ATTENTION – No Candy Throwing!

While the children watching the parade look forward to the treats they receive along the parade route, we respectfully ask that all treats be passed out to children one by one and not thrown into the street. This is for the safety of the children. Your cooperation is greatly appreciated.

All Bike Decorating entries can be pre-registered by November 8 but day of registrants are also accepted.
